Equitable Advocacy for Safe Streets in Long Beach and the Gateway Cities

Kevin C. Shin
Co-Chair/Co-Founder, Walk Bike Long Beach
Vice President, Board of Directors, LACBC

Anaheim Corridor
More pedestrian and bicyclist collisions occur on Anaheim Street than any other corridor in Long Beach. A total of 298 collisions occurred from 2007-2016 between Long Beach Blvd. and Gladys, including eight pedestrian fatalities.
SB 535 Disadvantaged Communities (CalEnviroScreen 3.0) in the Gateway Cities Council of Governments
